DIARY NOTES

DD/S

30 October 1964

1. Bob Fuchs was in to discuss several items.

b. Bob was anxious to get the grade for his Chief of Support or Executive Officer position established and to have someone nominated to fill it. He thought that the position should be a grade GS-15 but, should it be established as a GS-14, he would like a grade GS-14 to fill it. (I undertook to check this out with [REDACTED] to see how we stand.)

c. I approved of [REDACTED] being appointed Deputy to Fred [REDACTED] when Frank is relieved from his present position of Executive Officer.

a. Ted said that he thought well of [REDACTED] and would be glad to have him as his Chief of Support in any component. He was a little non-committal, however, on actually recommending him for promotion to grade GS-16. He pleaded that he simply doesn't know how Jack's responsibilities stack up against those of other Chiefs of Support. He said that he thinks Jack is looking forward to another overseas tour as soon as possible.

b. Ted appealed to me for a promotion for [REDACTED] his Logistics Officer. [REDACTED] is a grade GS-12 who has done an outstanding job at JMWAVE. (I would like to pursue this with Alan Warfield.)

3. Howard Osborn went to New York City today to talk to Police Commissioner Mike Murphy about possible candidates for the position of Special Assistant to the Secretary of the Treasury. Mike was very interested and might well be available himself. He wanted this information to be held very closely, at least for the moment.
